# McLaren Extended Service Contract

Driving reassurance

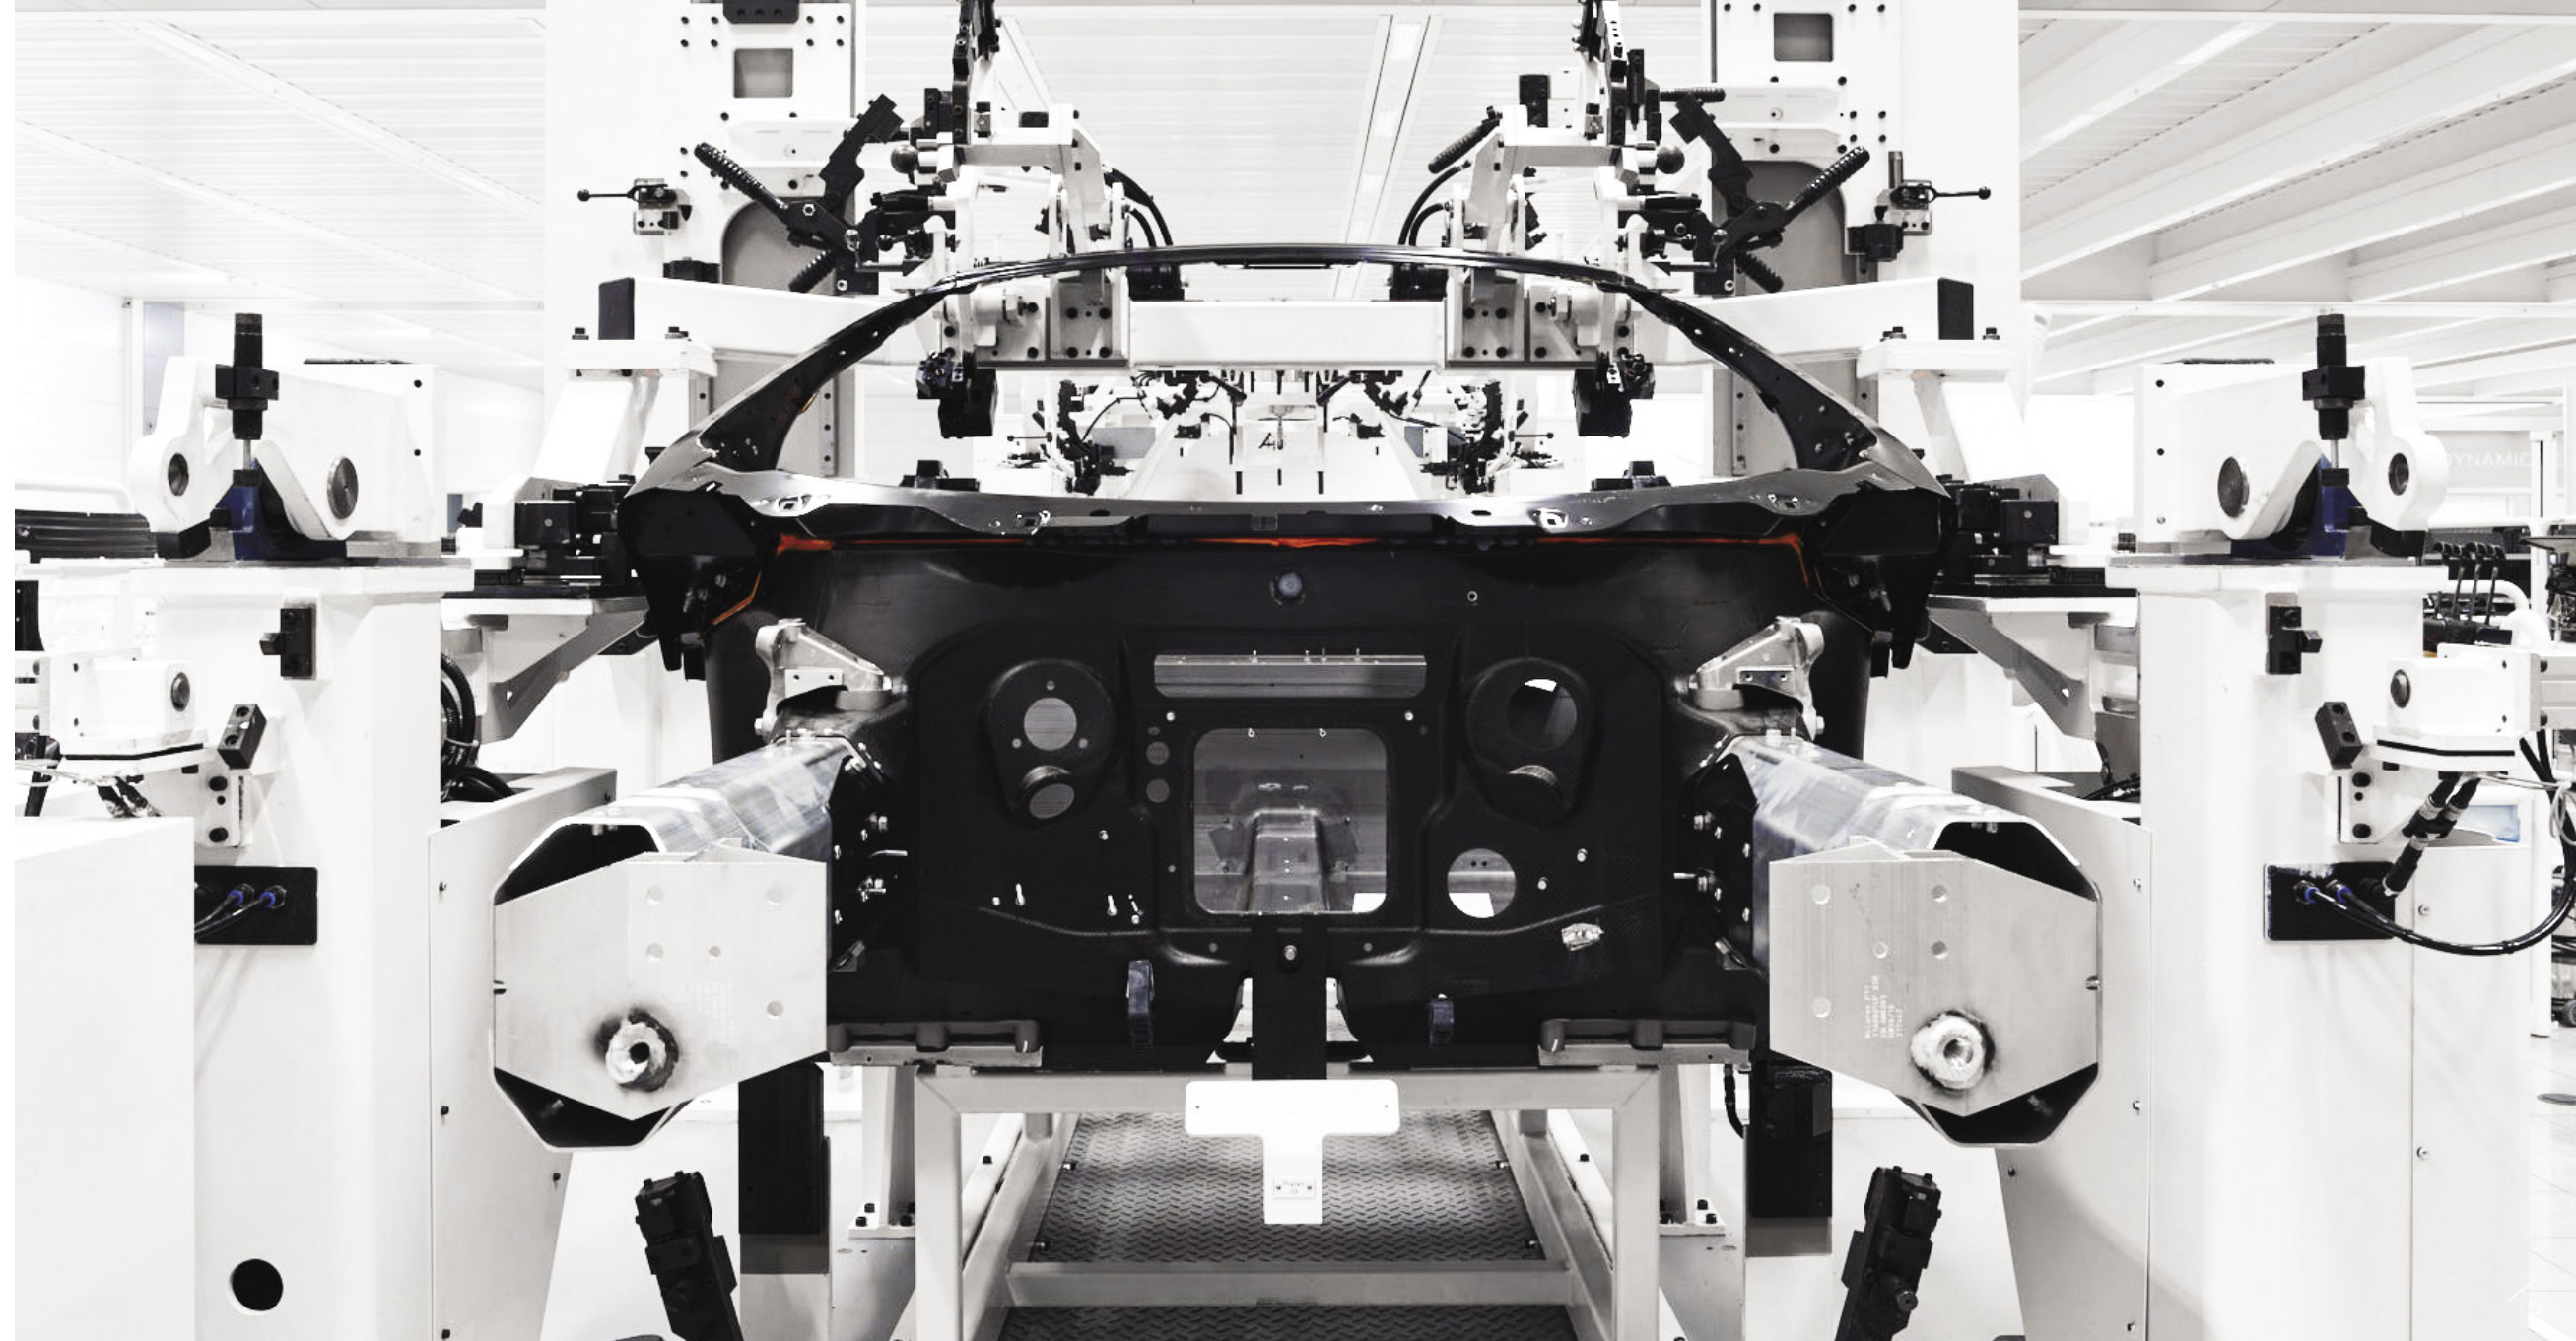

Your McLaren is a finely tuned machine.  
Engineered to bring you nothing short  
of pure exhilaration. Every day.

Our Extended Service Contract makes sure things stay that way. Giving you the  
ultimate peace of mind whenever you take to the road.

It covers most factory-fitted components against mechanical and electrical  
failure for up to 12 years. And should you ever need a repair, it guarantees parts  
and fitting meet the same meticulous standards your McLaren was built to.

So you can continue to get the most out of your McLaren.  
And simply enjoy the thrills it was born to deliver.

# The McLaren Extended Service Contract gives you:

- Guaranteed use of McLaren Genuine Parts for all repairs, maintaining your car's precision engineered, authentic McLaren driving experience
- Annual mileage cover up to 12,000 miles/20,000 kilometres – giving you the freedom to drive far and wide
- Onward journey assistance including travel and accommodation available in selected markets, allowing you to reach your destination should any repair take longer than expected
- The reassurance that all work is completed by McLaren Automotive Academy-trained technicians ensuring the quality of repair work meets the meticulous standards your McLaren deserves
- Roadside assistance cover available in selected markets giving you peace of mind that we're on hand to help, should any issues arise on the road

The McLaren Extended Service Contract offers total peace of mind. Please speak to your McLaren Retailer to find out how.

The McLaren Extended Service Contract offers almost the same extensive cover level as the McLaren Warranty. There are just a few exclusions, such as:

- Batteries, tires, wheels and wheel balancing or alignment
- Windscreen and glass
- Bodywork, paintwork, trim and upholstery
- Aftermarket accessories, or non-original equipment, components and systems that haven't been installed by McLaren
- General wear and tear
- Water ingress
- Software upgrades, unless part of a valid claim
- Gas charged accumulators and spheres

For full details of what the policy covers, please speak to your McLaren Retailer.

## Coverage and eligibility

You can start your Extended Service Contract policy at any time once you've owned your McLaren for 90 days, right up until the car is 10 years old.

The policy available to you will depend on how many miles you've covered, the age of your car, and whether you already have a McLaren Warranty or McLaren Extended Service Contract in place.
